

MM - bevel milling machines / Fasen-Fräsmaschinen

|           |                 |
|-----------|-----------------|
| t         | 1-15 mm         |
| D         | 25-170 mm       |
| C         | 1-10 mm         |
| $\alpha$  | 0-80°           |
| n         | 2.500-7.500 rpm |
| P         | 2x1,5 kW        |
| wt        | 94 kg           |
| MMP 170-B |                 |

**MMP 320:**  
• Vorschub 0,2-1m/min  
• Feeder 0,2-1m/min

|           |                 |
|-----------|-----------------|
| t         | 1-20 mm         |
| D         | 60-320 mm       |
| C         | 1-15 mm         |
| $\alpha$  | 0-80°           |
| n         | 2.500-7.300 rpm |
| P         | 2x2,2 kW        |
| wt        | 128 kg          |
| MMP 320-B |                 |
